Dear Paul,

I am writing in regard to your letters of January 26th concerning Alfred J. Conrad and February 3 concerning Fred A. Cram.

In regard to Conrad he was convicted and sentenced to five years in jail. I do not have any additional information regarding him. Staff and volunteers have changed substantially in the last two years and I have been unable to find enough information to fill out a Confidential Record sheet.

In regard to Cram, again I do not have details on what actually happened, however, the indication is that he picked up some youngsters to go to camp but ended up in a motel with them. The unit that he was registered in was due to recharter at the time of his conviction, so we worked through the sponsoring organization letting him know he would not be reregistered and could no longer be registered in Scouting.

Sincerely,

Harry L. Pokorny
